DETAILED ACTION

Election/Restrictions

1. The reply filed on 1-23-2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s) See 37 CFR 1.111:

In the previous office action (election/restriction requirement) the examiner clearly indicates that the applicants are required to select either group 1 or group 2. The examiner also indicates that the applicants are required under 35 U.S.C 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. In the reply filed on 1-23-2003, applicants' election of group II (claims 8-21) is acknowledged. However, applicants fail to elect a single disclosed species as define as previous office action.

2. Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered nonresponsive unless accompanied by an election.

3. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
